## You are an individual student:

You are attending school in another academy/agglomeration and passing through the academie de Bordeaux (internship, competitive examination, etc.) and looking for temporary accommodation in Aquitaine (internship, competitive examination, research stay, etc.).

To apply for individual temporary accommodation (this procedure does not apply to annual accommodation), you must:

- ❷ Be placed on the waiting list for one of the listed accommodations.
- ❸ Enclose proof of your level of study, the current year's education certificate and your internship agreement with your application, **completed and signed by all parties** (or a letter of invitation, invitation to an examination, etc.), and specify any additional information in the 'commentaires' (comments) section.

**Note: Temporary accommodation is only offered for a minimum of 1 month and a maximum of 6 months, until at the latest 15 August 2022**

*(this deadline should not be exceeded on the internship agreement, invitation letter, invitation to attend an examination, etc.)*
